# Amazon.com Best Sellers

The image is a screenshot of a Google search results page. At the top, the Google logo is on the left, and a search bar contains the text 'amazon best sellers'. A red arrow points from the search bar down towards the first search result. To the right of the search bar is a blue button with a magnifying glass icon. Below the search bar, the word 'Search' is on the left, and 'About 343,000,000 results (0.15 seconds)' is on the right. On the left side of the page, there is a vertical menu with links: 'Web', 'Images', 'Maps', 'Videos', 'News', 'Shopping', 'Applications', and 'More'. Below this menu, it says 'Bremerton, WA' and 'Change location'. At the bottom of the left side, it says 'Show search tools'. The main content area shows search results. The first result is an advertisement titled 'Amazon Books at Amazon - Millions of titles, new & used.' with a URL 'www.amazon.com/books', a star rating of 4.5, and text '2,172 reviews for amazon.com', 'Free Shipping on Qualified Orders!', and '479 people +1'd this page'. Below this is a result titled 'Amazon.com Best Sellers: The most popular items on Amazon' with a URL 'www.amazon.com/Best-Sellers/zgbs'. Under this result, there are four sub-sections: 'Books', 'Music', 'Electronics', and 'Beauty', each with a brief description. At the bottom, there are two more sub-sections: 'Kindle Store' and 'Sports & Outdoors'.

### Merchants

Increase your sales - Develop a trusted sales force

Performance Marketing is one of the most powerful and effective customer acquisition tools available to an online Merchant. As a Merchant - you decide the commission structure to pay - and only pay when results come in.

Established in 2000, ShareASale provides award winning technology and service which will enable you to connect with a network of established Affiliates as well as recruit new ones to your program.

To learn more about our Network, pricing, or to view a demo - please click the "More Info" button below.

### Affiliates

Real time reporting and on time payments

There are currently over 2,500 Merchants [[click to preview](#)] plugged in to the ShareASale Network. Each of these merchants has a different type of product that they are selling - and each is ready to commission you on that sale if you bring a customer to them.

The idea - and the implementation - are simple. You decide which merchants to promote and how to promote them, and when commissions are generated, you can see your stats in real-time. All payments are consolidated from the programs you participate in, and are paid with one check or direct deposit by ShareASale.

ShareASale has a strict "No Software" policy which means you will not have to deal with affiliates utilizing Adware, Toolbars, or other desktop software.
