

If you just watched my SEO Wordpress Video Ranking Method Video and if you are second guessing whether this method would work, let me show you some proof.

I have used this method for several blogs and sites, but here I will give examples from just 1 of my blogs – BikeAdvice.in

### **Example 1:**

Go to Google and Search for *Yamaha SZ*

The screenshot shows a Google search interface with the query 'yamaha sz' in the search bar. The search results are displayed below the bar, showing 'About 403,000 results (0.32 seconds)'. The first three results are from bikeadvice.in, which are highlighted in yellow. The first result is 'Yamaha SZ, Review, Price, Yamaha Bikes India, Comparison, Images ...' with a date of 18 Jan 2010.
